

Wednesday June 15, 2022

Registration 11:30 AM Meeting 12:00–1:00 PM

'Clinical progression of a shoulder injury, with specific examples of rotator cuff rehab'

Presented by: Matt Cummings/OT with ARC

**Location
ARC Overland Park Clinic
6362 College Blvd**

*Lunch will be provided
Register on line at WWW.CMSA-KC.com
registration will close on June 13, 2022
Registration is limited to 40*

This meeting is free for members and \$20 for non-members

For questions contact Peggy Ledgerwood 816-353-6077 or pledger816@aol.com

This presentation will provide One (1) contact hour for continuing education approval and pending One (1) CCM contact hour. CEU and CCM certificates will be forwarded to attendees within 2 weeks after the event

Learning Objectives

Participant will be able to:

1. Understand how progression of clinical strengthening differs from material handling.
2. Understand how proper progression of clinical strengthening can lead to meeting job demands sooner.
3. Understanding appropriate timeframe of healing processes for supporting progression of strengthening and functional task training.

CMSA-KC is approved as a provider of CNE by the Kansas State Board of Nursing. This course offering is approved for contact hours applicable for LMHT, RN or LPN relicensure. Kansas State Board of Nursing provider number LT0206-0606
