“60 Second Innovation—A MicroBoost for Increased Creativity”

Presented by: Frank Keck

This workshop is designed to help you get your brain unstuck by spending about 60 seconds at a time, each day every week, giving your brain a boost which will lead to increased capacity on your part. Do more, in less time, with fewer mistakes in better ways.

**This meeting is sponsored by Midwest Orthopedic Network
Lunch will be provided**

Register on line at WWW.CMSA-KC.com or RSVP to Peggy Ledgerwood with your Name, email address and Nursing license Number at pledger816@aol.com

**This presentation is free to members, free to PIE Sponsors*
\$20 for non members.**

Attendance is limited to the first 35 rsvp’s

This presentation will provide One contact hour for continuing education approval pending for one CCM “CEU, and CCM certificates will be forwarded to attendees within 2 weeks after the educational session”

*** restrictions apply**
